County Clerk/Registrar of Voters (CC/ROV) Memorandum #09173

TO: All County Clerks/Registrars of Voters

FROM:   
Cathy Mitchell  
Chief of Elections

RE: Voter Registration: Use of National Mail Voter Registration Form

---

After posting a program on the Secretary of State's website that allows voters to more easily fill out the National Mail Voter Registration Form (National Form), two questions have arisen.

The first is why the National Form, not the state voter registration form, is posted on the Secretary of State's website.

The second is whether county elections officials need to obtain a registrant's U.S. state or foreign country of birth before officially registering to vote anyone who used the National Form to register.

Using The National Form, Not The State Voter Registration Form

Current state law and regulations specify how a state voter registration form must be constructed. Specifically, Elections Code section 2157 requires the state voter registration form to:

- o Be included on one part of a multipart card that is perforated
- o Contain a serial number
- o Use multiple type sizes and colors of ink
- o Have its return postage pre-paid by the Secretary of State

Furthermore, Title 2, California Code of Regulations, section 19056, requires the state voter registration form to be 5" x 8" x .007."

These requirements effectively preclude a state or local elections official from accepting a state voter registration form printed from a website. This is why the Secretary of State does not make the state form available on the Internet and discourages others from making it available on the Internet.

Prior to 2009, the Secretary of State's website did allow a person to fill out a state voter registration form online and have it mailed to them so the person could sign and return it. That program was discontinued for three reasons:

1. It cost approximately \$1.64 per form.
2. Many people did not return the form because they mistakenly believed they had registered to vote online and therefore did not need to sign and return the voter registration form.
3. Many people requested the forms too close to the E-15 registration deadline and could not return them by the deadline.

Accepting the National Form: Elections Officials Do Not Need to Determine Registrant's Country or State of Birth

Under California law, when a person submits a state voter registration form, he or she is required to provide either their state of birth (if born in the U.S.) or country of birth (if born outside of the U.S.).

This requirement can be found in two places:

Elections Code section 2150 (a)(6), which states in part:

- (a) The affidavit of registration shall show:
  - (6) The state or country of the affiant's birth.

Elections Code section 2157, which states in part:

- (a) Subject to this chapter, the affidavit of registration shall be in a form prescribed by regulations adopted by the Secretary of State. The affidavit shall:
  - (1) Contain the information prescribed in Section 2150.

However, the requirement that a person provide this information to register to vote only applies to someone registering to vote using the state voter registration form that is developed pursuant to state law and regulation. State law does not require a person using the National Form to provide any additional information beyond what is contained on the National Form in order to register.

This is clarified in Elections Code 2162, which reads in part:

- (a) No affidavits of registration other than those provided by the Secretary of State to the county elections officials or the national voter registration forms authorized pursuant to the National Voter Registration Act (42 U.S.C. Sec. 1973gg) shall be used for the registration of voters.

The requirement that state and local elections officials accept the National Form from any person applying to register to vote can be found in the National Voter Registration Act (NVRA), 42 U.S.C. Sec. 1973gg-4 (a), which reads in part:

(1) Each State shall accept and use the mail voter registration application form prescribed by the Federal Election Commission pursuant to section 1973gg-7(a)(2) of this title for the registration of voters in elections for Federal office.

(2) In addition to accepting and using the form described in paragraph (1), a State may develop and use a mail voter registration form that meets all of the criteria stated in section 1973gg-7(b) of this title for the registration of voters in elections for Federal office.

So, while (2) permits states to develop their own voter registration forms, (1) requires states to (unless they have been exempted under the NVRA) accept as complete a voter registration application submitted by a person using the National Form.

## I. General Information and Background

The National Voter Registration Act of 1993 (NVRA) required the Federal Election Commission (FEC) to design a national mail voter registration form (National Form), in consultation with state elections officials. The NVRA also required states to accept voter registrations submitted by mail using the National Form.

In 1994, the FEC created the National Form after consulting with state and county elections officials, social service agencies, and advocacy groups. Since each state has its own voter registration requirements and forms, the FEC took into consideration the various paper sizes, voter information, and voter registration database technologies used in the states in designing the National Form. The National Form is similar to the California Voter Registration Card (VRC) but there are a number of differences detailed below.

The National Form is available on the Secretary of State's website at [www.sos.ca.gov/nvrc/fedform/](http://www.sos.ca.gov/nvrc/fedform/). The National Form can also be printed from the Election Assistance Commission (EAC) website at [www.eac.gov](http://www.eac.gov). The Secretary of State and county elections offices make available paper copies of the National Form upon request.

The National Form may be used to register to vote in any state. The form includes general instructions as well as state-specific instructions on how to complete the form. Since the United States has no national or federal voter registration system, completed forms are sent to the appropriate county elections office and are processed in the same manner as the state VRC.

## II. Use of the National Form

The vast majority of voters continue to use the state VRC to register to vote, and elections officials may continue to encourage use of the state VRC. However, elections officials must make the National Form available upon request and may wish to provide the National Form to organizations targeting outreach efforts to more than one state. Individuals and groups who may prefer to use the National Form include:

- College students who want to register to vote in the state where they permanently reside;
- Political party convention organizers;
- Travelers from out-of-state; and
- Military personnel.

### III Distribution of National Form to Counties

The Secretary of State provides both the state VRC and the National Form to counties upon request. However, since the National Form may be downloaded and printed directly from the Secretary of State's website, county elections officials typically only place orders for supplies of the state VRC. The Secretary of State invites each county to place orders for VRC supplies four times a year, at the beginning of each quarter.

### IV. Items on the National Mail Voter Registration Form

The form requests the following information:

**Name:** Last, first, and middle, any suffix – such as “Jr.,” and any prefix – such as “Mr.” or “Ms.”

**Home Address:** Street address, Apt. Lot #, City/Town, State, Zip Code. The instructions direct applicants not to list a post office box or rural route without a box number. For applicants who live in rural areas or non-traditional homes, the National Form provides a space for people to draw a residence map.

**Mailing address:** If different from home address.

**Date of Birth:** Month, day and year of birth.

**Telephone number:** Optional.

**ID number:** The California instructions for the National Form require applicants to provide either a California driver license or California identification card number (DL/ID), if the applicant has one, or the last four digits of their social security number, if any.

**Choice of Party:** Unlike the state VRC, which provides checkboxes for qualified political parties, the National Form simply provides a blank space to fill in the name of a political party. The California instructions for the National Form ask applicants to write the name of a political party, or “decline to state” to indicate no party preference. The California instructions also encourage applicants to contact the Secretary of State at 1-800-345-VOTE or visit [www.sos.ca.gov](http://www.sos.ca.gov) to get a list of qualified political parties and to learn which political parties allow voters with no political party preference to participate in primary elections.

**Race or Ethnic Group:** Similar to the state VRC, the National Form provides a blank space for applicants to fill in a race or ethnic group. The California instructions for the National Form direct applicants to leave this

field blank, because county elections officials do not enter data from this field into the voter registration database.

**Signature:**

Applicants must sign and date the National Form and affirm that they:

1. Are a United States citizen,
2. Meet state eligibility requirements and subscribe to any state oath required; and
3. Have provided true information to the best of their knowledge under penalty of perjury.

The California instructions for the National Form clarify that to register in California, the applicant must be:

1. A U.S. citizen;
2. A resident of California;
3. At least 18 years old at the next election;
4. Not imprisoned or on parole for a felony conviction; and
5. Not currently judged mentally incompetent by a court.

**Name, address, and phone of anyone who helped the applicant:** If the applicant is unable to sign, the general instructions for the National Form provide a space at the end of the form for the name, address, and phone of the person who helped the applicant complete the form. This information must only be included if the applicant is unable to sign. [Note: Phone number is optional.] By contrast, the state VRC contains a space for the contact information of anyone who assists the applicant in completing *any part* of the VRC, regardless of whether the applicant is able to sign the VRC.

**Change of name:** The National Form provides a space for a prior name, if the form is used for a name change.

**Change of address:** The National Form provides a space for a prior address, if the form is used for an address change.

**Map:** As noted above, the National Form provides a space to draw a residence map for applicants who live in rural areas or non-traditional homes.

While the state VRC requests the additional information below, the National Form does **not** request the following:

- California county

- Foreign country
- U.S. state or foreign country of birth
- Email address
- Vote By Mail Choice
- Request to serve as a poll worker
- Request to provide a location for a polling place
- Language Preference

#### V. **Format and Layout of the National Form**

The National Form fits onto regular 8.5" × 11" paper and can be printed from the Internet. The form includes General Instructions and specific State Instructions for each state on how to complete the form. Currently, the National Form is available in English, Spanish, Chinese, Japanese, Korean, Tagalog, and Vietnamese. The National Form does not contain a return postage stamp.

By contrast, under current state law and regulations, the state VRC must be printed on paper of a special size and weight and must contain a unique affidavit number. The VRC must also contain a postage paid stamp and return address. These restrictions prevent the state VRC from being printable from the Internet.

Elections officials ***must*** accept copies of the National Form printed from a computer image of the form, as long as the form is completed and signed by the applicant and either hand-delivered or mailed with first class postage.

The Secretary of State has designed a website that gives voter registration applicants two options:

1. Printing a blank National Form, completing it by hand, and mailing it to the Secretary of State; or
2. Completing the National Form online, printing and signing the completed form, and mailing the form to their county elections office. For applicants who choose to complete the National Form online, the Secretary of State's website automatically fills in the county election office on the form, so that form prints with the county elections office address and can be mailed directly to the elections office where the applicant lives.

# **Register To Vote In Your State By Using This Postcard Form and Guide**

**For U.S. Citizens**

## General Instructions

### Who Can Use this Application

If you are a U.S. citizen who lives or has an address within the United States, you can use the application in this booklet to:

- Register to vote in your State,
- Report a change of name to your voter registration office,
- Report a change of address to your voter registration office, or
- Register with a political party.

### Exceptions

Please do not use this application if you live outside the United States and its territories and have no home (legal) address in this country, *or* if you are in the military stationed away from home. Use the Federal Postcard Application available to you from military bases, American embassies, or consular offices.

**New Hampshire** town and city clerks will accept this application only as a request for their own absentee voter mail-in registration form.

**North Dakota** does not have voter registration.

**Wyoming** law does not permit mail registration.

### How to Find Out If You Are Eligible to Register to Vote in Your State

Each State has its own laws about who may register and vote. Check the information under your State in the State Instructions. All States require that you be a United States citizen by birth or naturalization to register to vote in federal and State elections. Federal law makes it illegal to falsely claim U.S. citizenship to register to vote in any federal, State, or local election. You **cannot** be registered to vote in more than one place at a time.

### How to Fill Out this Application

Use both the Application Instructions and State Instructions to guide you in filling out the application.

- First, read the Application Instructions. These instructions will give you important information that applies to everyone using this application.
- Next, find your State under the State Instructions. Use these instructions to fill out Boxes 6, 7, and 8. Also refer to these instructions for information about voter eligibility and any oath required for Box 9.

### When to Register to Vote

Each State has its own deadline for registering to vote. Check the deadline for your State on the last page of this booklet.

### How to Submit Your Application

Mail your application to the address listed under your State in the State Instructions. Or, deliver the application in person to your local voter registration office. The States that are required to accept the national form will accept copies of the application printed from the computer image on regular paper stock, signed by the applicant, and mailed in an envelope with the correct postage.

### First Time Voters Who Register by Mail

If you are registering to vote for the first time in your jurisdiction and are mailing this registration application, Federal law requires you to show proof of identification the first time you vote. Proof of identification includes:

- A current and valid photo identification or
- A current utility bill, bank statement, government check, paycheck or government document that shows your name and address.

Voters may be exempt from this requirement if they submit a **COPY** of this identification with their mail in voter registration form. If you wish to submit a **COPY**, please keep the following in mind:

- Your state may have additional identification requirements which may mandate you show identification at the polling place even if you meet the Federal proof of identification.
- Do not submit original documents with this application, only **COPIES**.

### If You Were Given this Application in a State Agency or Public Office

If you have been given this application in a State agency or public office, it is your choice to use the application. If you decide to use this application to register to vote, you can fill it out and leave it with the State agency or public office. The application will be submitted for you. Or, you can take it with you to mail to the address listed under your State in the State Instructions. You also may take it with you to deliver in person to your local voter registration office.

Note: The name and location of the State agency or public office where you received the application will remain confidential. It will not appear on your application. Also, if you decide not to use this application to register to vote, that decision will remain confidential. It will not affect the service you receive from the agency or office.

## Application Instructions

Before filling out the body of the form, please answer the questions on the top of the form as to whether you are a United States citizen and whether you will be 18 years old on or before Election Day. If you answer no to either of these questions, you may not use this form to register to vote. However, state specific instructions may provide additional information on eligibility to register to vote prior to age 18.

### Box 1 — Name

Put in this box your full name in this order — Last, First, Middle. Do not use nicknames or initials.

*Note:* If this application is for a change of name, please tell us in **Box A** (*on the bottom half of the form*) your full name before you changed it.

### Box 2 — Home Address

Put in this box your home address (legal address). Do **not** put your mailing address here if it is different from your home address. Do **not** use a post office box or rural route without a box number. Refer to state-specific instructions for rules regarding use of route numbers.

*Note:* If you were registered before *but* this is the first time you are registering from the address in Box 2, please tell us in **Box B** (*on the bottom half of the form*) the address where you were registered before. Please give us as much of the address as you can remember.

*Also Note:* If you live in a rural area but do not have a street address, or if you have no address, please show where you live using the map in **Box C** (*at the bottom of the form*).

### Box 3 — Mailing Address

If you get your mail at an address that is different from the address in Box 2, put your mailing address in this box. If you have no address in Box 2, you **must** write in Box 3 an address where you can be reached by mail.

### Box 4 — Date of Birth

Put in this box your date of birth in this order — Month, Day, Year. *Be careful not to use today's date!*

### Box 5 — Telephone Number

Most States ask for your telephone number in case there are questions about your application. However, you do **not** have to fill in this box.

### Box 6 — ID Number

Federal law requires that states collect from each registrant an identification number. You must refer to your state's specific instructions for item 6 regarding information on what number is acceptable for your state. If you have neither a drivers license nor a social security number, please indicate this on the form and a number will be assigned to you by your state.

### Box 7 — Choice of Party

In some States, you must register with a party if you want to take part in that party's primary election, caucus, or convention. To find out if your State requires this, see item 7 in the instructions under your State.

If you want to register with a party, print in the box the full name of the party of your choice.

If you do **not** want to register with a party, write "no party" or leave the box blank. Do **not** write in the word "independent" if you mean "no party," because this might be confused with the name of a political party in your State.

*Note:* If you do not register with a party, you can still vote in general elections and nonpartisan (nonparty) primary elections.

### Box 8 — Race or Ethnic Group

A few States ask for your race or ethnic group, in order to administer the Federal Voting Rights Act. To find out if your State asks for this information, see item 8 in the instructions under your State. If so, put in Box 8 the choice that best describes you from the list below:

- American Indian or Alaskan Native
- Asian or Pacific Islander
- Black, *not of* Hispanic Origin
- Hispanic
- Multi-racial
- White, *not of* Hispanic Origin
- Other

### Box 9 — Signature

Review the information in item 9 in the instructions under your State. Before you sign or make your mark, make sure that:

- (1) You meet your State's requirements, and
- (2) You understand **all** of Box 9.

Finally, sign your **full** name or make your mark, and print today's date in this order — Month, Day, Year. If the applicant is unable to sign, put in **Box D** the name, address, and telephone number (optional) of the person who helped the applicant.
